

Westerly Airport Association Meeting and Holiday Party Minutes

17th December 2013

Dooney Aviation

This meeting was planned as a “potluck” party and holiday celebration. Unfortunately, there was quite inclement weather, with snow, ice, and cold temperatures. This prevented a large number of members from attending. Those who were present enjoyed a time of good cheer and camaraderie that was enhanced by the sumptuous spread of food and beverages.

Dotty and Bernie Stumpf led the way, with a very generous outlay of treats. Sam Grills brought the DVD of the Disney Toons Studios movie, Planes, which provided a distracting, but amusing, background to the party.

Meeting issues included discussions about agenda items, but no actual business was transacted.

Respectfully submitted,

Sandy Niles, Recording Secretary
