

Young Eagles® Rally

at the Westerly State Airport

KIDS FLY FREE

Sunday

July 8th, 2018

12 noon - 3 pm

rain date Saturday, the 14th

Fully qualified, experienced volunteer pilots, in their own aircraft, offer free airplane rides to young people ages 8-17 as part of this international program to introduce kids to the fun and wonder of flight.

Held at the Main Terminal, 56 Airport Road, Westerly, RI.

***First come, first served.**

Young Eagles must have a parent or guardian present to sign the permission form. Kids will be given a short safety briefing before their flights. Every effort will be made to accommodate all interested, eligible kids, but weather, pilot availability, aircraft capacity, and other factors may limit the number of flights given.

This celebration of aviation is proudly presented by EAA Chapter 334 of Westerly.
