Academic Scholarship Information and Application

The Westerly Airport Association annually awards scholarships to assist students pursuing post-secondary education toward an aviation or aero-space related career, such as flight crew, aircraft maintenance, aeronautical or astronautical engineering, airline or airport operations and the like.

- Applications are welcome from students with genuine interest and realistic expectations for success in any of these fields.
- To be eligible, students must graduate from high school no later than June 30th.
- Applicant should be accepted at, and plan to attend an accredited college, university or specialized technical school beginning in the year of graduation.
- Applicant must have permanent residence in New England, preferably southern Rhode Island or Southeastern Connecticut.
- Applicant should have demonstrated commitment to the chosen course of study, evidenced by related activities. These might include such pursuits as having enrolled in high school aviation classes, having already taken ground or flight training, passed FAA written exams, attended aviation camps, served in the Civil Air Patrol, or completed internships or work experience at airports or aviation related businesses.
- Application should be accompanied by a one-page essay composed by the student. This essay should demonstrate the student's qualifications for this scholarship, including goals and plans for reaching them. The student should also provide a transcript of their high school grades.
- WAA Academic Scholarships are awarded based on motivation, character, academic excellence, financial need, the student's essay, and at least one recommendation(s) of his/her teacher(s), guidance counselor(s), or mentor(s).
- Application must be emailed by midnight March 31, to be considered for the year's awards. Questions about the applications and **completed applications** should be sent to ltadore@hotmail.com or dastumpf@gmail.com

Candidates' applications will be reviewed and the winners selected by the WAA Scholarship Committee. Awards will be based on the above criteria.
